

RELATED MEETING REQUEST INSTRUCTIONS

- ♦ **Related meeting requests are now being accepted for committees and working groups, universities, organizations, agencies, and others interested in holding a meeting or social function in association with the 83rd Midwest Fish & Wildlife Conference.**
- ♦ Please use the enclosed form and provide all of the requested information; especially identifying meetings that shouldn't overlap.
- ♦ Requests for meeting space will be handled in the order they are received. First choice options for date and time may not always be possible. Please indicate a "second choice" in the space provided on the form.
- ♦ The Plenary Sessions are scheduled for each morning on Monday, Tuesday, and Wednesday, February 13, 14, & 15. Related meetings will not be scheduled during this time.
- ♦ We will be placing most meetings in permanently set rooms, to minimize hasty and disruptive turnovers, so meetings might be somewhat overset.
- ♦ Every effort will be made to accommodate all meeting/function setups as requested, but priority will be given to meetings and functions requested by the deadline.
- ♦ The schedule-at-a-glance and program information will be available at <https://www.midwestfw.org/schedule-details.html> . Updates will be made on a regular basis.
- ♦ Specific room assignments for related meetings and other functions will not be assigned or published until closer to the event date.
- ♦ Specific arrangements for any events involving food and beverage are to be coordinated directly with the hotel. Information regarding menus, a/v, and set-up needs will be sent with a confirmation.
- ♦ Please also note that **all related meeting participants must pre-register** for the Conference, which will be available online via the website, starting in November. Please inform all meeting/function members of this policy.
- ♦ Delaney Meeting & Event Management will be coordinating the schedule:
